Plan 1 brings together open gathering spaces, private retreats, and plenty of flexibility across two stories. A welcoming front porch leads into the entry, with a first-floor bedroom and full bath positioned nearby for added privacy. Continue into the kitchen, where an oversized island opens directly to the great room, creating a spacious central hub for cooking, entertaining, and everyday living. Tucked beyond the main living area, the first-floor primary suite features a private bath and walk-in closet. Head upstairs to find a loft and game room, giving you plenty of options for a media room, game space, home office, or additional lounge. Two secondary bedrooms each feature walk-in closets, while a junior primary bedroom offers its own private bath and walk-in closet. Plan 1 Highlights: Welcoming front porch First-floor primary suite with walk-in closet First-floor secondary bedroom and full bath Open kitchen and great room Oversized kitchen island Junior primary suite with private bath and walk-in closet Walk-in closets in secondary upstairs bedrooms Open-to-below design Convenient first-floor laundry room 2-car garage See how Plan 1 could fit your lifestyle.
