Welcome to Homesite 2, a beautifully designed two-story model home that is move-in ready! This exceptional home features over $190K in designer upgrades, enhancements and décor, including Almalfi Beech Denim cabinetry and a Bosch appliance package with refrigerator, washer and dryer. Solar is also included for added energy efficiency. Ideally located near top-rated schools and Emerald Glen Park, this home offers both style and convenience.

The first floor welcomes you with an entry that flows into a spacious living area, dining room and kitchen. The kitchen features a center island, ample counter space, a walk-in pantry and access to the covered patio. A first-floor bedroom with an adjacent full bathroom provides a comfortable space for guests, while the two-car garage and additional storage offer everyday convenience.

Upstairs, the primary suite features a spacious bedroom, a luxurious primary bath with a separate tub and shower, and a walk-in closet. Two additional bedrooms, each with its own walk-in closet, provide plenty of space for family or guests. A secondary bath with dual sinks, a centrally located laundry room, multiple linen storage areas and a charming coffee bar just outside the primary suite complete the thoughtfully designed second floor.
