

Rows Plan 1 - A TruFlex Design

ROWS AT COVINA BOWL

FEATURES

-  1 Bedrooms
-  3 Bathrooms
-  1,573 Sq. Ft.
-  2 Car Garage

Flexible 3-story townhomes

Come home to Covina Bowl's Plan 1 Rows offering three stories and 1,573 sq. ft. of light-filled space. A two-car garage connects to a convenient first-floor den or secondary bedroom and ensuite bathroom. Head upstairs to the main living area and find the expansive great room, contemporary kitchen, and dining area that leads out to a private deck. The gourmet kitchen is complete with a pantry, dual sinks and the option for center preparation island. The kitchen includes full overlay, frameless flat panel contemporary maple cabinetry with knobs, granite slab kitchen countertops with your color choice of 6" backsplash, and GE stainless steel premium kitchen appliance package.

The top floor includes plenty of space to stretch out in comfort and style. This floor comes with your choice of additional secondary bedrooms or replace them with a generous loft. Adjacent is the stunning primary suite, complete with a private balcony, walk-in closet and a spa-like bathroom. This plan comes with your color choice of Welcoming tile at entry, kitchen, bathrooms and laundry, Kohler plumbing features, and much more!
