Plan B at Hillcrest Creek is a modern, well-appointed home offering approximately 1,789 sq. ft. of living space, featuring 3 bedrooms and 3.5 bathrooms.

The main living area is designed with an open-concept layout, where the great room flows seamlessly into the dining and kitchen area. The kitchen includes an island and pantry, while an outdoor balcony extends off the great room—creating a natural space for indoor-outdoor living. A 2-bay garage with direct access to the home adds everyday convenience.

Upstairs, the primary suite features a walk-in closet and a private bath with dual sinks and a walk-in shower. Additional bedrooms each include their own en-suite bathrooms, providing comfort and privacy throughout. A conveniently located upstairs laundry room enhances the home's functional design.
