Homesite 52 is the Kinsley plan at Madison at Oak Place, a functional two-story plan to adapt to your family's unique needs. The home begins with an inviting entry hallway that leads to Bedroom 4, conveniently located near a full bathroom and a nearby storage closet. This flexible space works well for guests or a comfortable home office. Just beyond the entry, the stairwell opens into the Great Room and dining area, creating an open and welcoming main living space. The dining area connects seamlessly to the kitchen, which features a generous center island, ample counter space, and a walk-in pantry closet, ideal for both everyday living and entertaining. Upstairs, a comfortable loft overlooks the Great Room below and provides easy access to the laundry room. Two separate hallways extend from the loft. One leads to Bedrooms 2 and 3, each with a walk-in closet, along with a full bathroom featuring a dual sink vanity and a linen and storage closet. The second hallway leads to the Owner's Suite, offering a private retreat with an en-suite bathroom, dual sink vanities, a walk-in closet, and an additional linen closet.
