The Abram plan at Lafayette at Riverstone is a single-story residence that features an array of possibilities to create your very own dream home. Available in Spanish, Tuscan and American Traditional, this floorplan can be configured with as many as 5 bedrooms. The spacious L-shaped kitchen ties the Living Room into the Great Room to create a truly captivating space for all of life's most memorable moments. Choose the California Room option to extend the living areas into a breezy indoor/outdoor experience. Other popular options include a tandem garage for a 3rd car, which can also be built as a craft room or home gym.
