Dahlia's Plan 2 presents a lifestyle like no other. The great room and dining area merge to create open-concept living at its finest with a kitchen with center island completing the look. Just past the kitchen, a covered patio awaits, calling you to invite some friends over or whatever your whims lead you. This home isn't just an entertainer's dream come true; it offers spaces to support your domestic needs. A first-floor bedroom with adjoining bathroom can serve as a guest suite for out-of-town visitors or a private suite for multigenerational living. Make your way upstairs to find three bedrooms—including a master retreat with expansive walk-in closet, freestanding bathtub, walk-in shower, dual sinks and a convenient vanity—laundry room and versatile loft with a handy tech center where you can study, read or anything in between. This home was made for how you live.
