SKYLINE

FEATURES

- 3 Bedrooms
- 3 Ba, 1 Half Ba
- 2,164 Sq. Ft.
- 2 Car Garage

Welcome to Residence 4 at Skyline, a multi-level home spanning four floors, designed to combine functionality and style.

The first floor features a porch that opens into a flexible space with a kitchenette. This level also includes a bathroom and a washer/dryer space. The second floor serves as the central gathering space, offering a connection between the kitchen, dining area, and great room. The kitchen boasts Bosch stainless steel appliances, Beech Shaker cabinetry available in three finish options, quartz countertops, and a 6" backsplash. These areas extend naturally to an outdoor deck.

The third floor houses the private living quarters, including a primary bedroom with an en-suite bathroom that offers dual vanity sinks, a shower, and a walk-in closet. An additional bedroom, a separate bathroom, and a second washer/dryer space are also included on this level. The fourth floor provides a spacious roof deck, perfect for outdoor gatherings, along with a storage area.

This home also features durable laminate flooring in high-traffic areas, your choice of premium carpet for the living spaces, and high-quality Kohler fixtures.

Every detail has been carefully considered to deliver a living experience that perfectly balances comfort, practicality, and elegance.
