Welcome to Homesite 72, a thoughtfully designed four-level home offering approximately 1,972 sq. ft. of move-in ready living space.

Situated on a desirable corner homesite, the residence is filled with abundant natural light and showcases elegant Revere Pewter gray cabinetry, sleek quartz countertops, a stylish tile backsplash, and premium Bosch appliances for elevated everyday living. The entry level features a private bedroom with an en-suite full bath, ideal for guests or a home office. The second floor offers an open-concept layout with a modern kitchen, complete with a preparation island, that flows seamlessly into the dining and great room. On the third floor, the primary suite includes a walk-in closet and a well-appointed bathroom, alongside a secondary bedroom with its own full bath and a conveniently located laundry closet.
