Designed with plenty of room to gather, unwind, and make each space your own, Plan 3 begins with a welcoming front porch and a flex room near the entry. Moving farther into the home, the layout opens to an expansive kitchen featuring a large island and walk-in pantry, with the dining area and great room creating a connected space for meals, entertaining, and time together. The covered patio brings the outdoors into the experience, while a private first-floor bedroom with a full bath nearby is ideal for overnight guests or extended stays. The second floor adds even more versatility with a generous loft overlooking the level below. The primary suite is tucked away with a spacious walk-in closet and private bath, while two secondary bedrooms and a conveniently placed laundry room round out the upper level. Plan 3 Highlights: Inviting front porch Private first-floor bedroom with walk-in closet Full bath conveniently located near the first-floor bedroom Expansive kitchen with large center island Walk-in pantry for additional storage Connected great room and dining area Covered patio just off the main living spaces Primary suite with spacious walk-in closet Upstairs laundry room 2-car garage Interested in Plan 3?
