Plan 1X adds a second story while keeping the primary living spaces conveniently located on the first floor. Enter from the welcoming front porch and continue into the open kitchen, where a large center island overlooks the great room and dining area. The covered patio extends the gathering space outdoors, while the primary suite is tucked toward the back of the home with a private bath and walk-in closet. Two additional bedrooms are located on the first floor, offering comfortable separation from the main living areas. Upstairs, a spacious bonus room provides even more flexibility for a media room, game room, or additional lounge. A fourth bedroom and full bath complete the second floor, making this space ideal for guests or those looking for added privacy. Plan 1X Highlights: Welcoming front porch Open kitchen, dining and great room Large center kitchen island Walk-in pantry Covered patio for indoor-outdoor living First-floor primary suite with walk-in closet Spacious upstairs bonus room Private second-floor bedroom and full bath First-floor laundry room 2-car garage Contact our sales team today to learn more about Plan 1X and find your new home at Pinecrest at Ocean Breeze.
