Plan 2 provides a spacious two-story layout with plenty of room for gathering, hosting, and everyday routines. From the welcoming front porch, the entry leads past a private first-floor bedroom and full bath before opening to the main living space. The kitchen features a large center island and walk-in pantry and connects seamlessly with the great room. Just beyond, the covered patio offers additional space for outdoor dining and entertaining. Upstairs, a generous bonus room creates a flexible area for movie nights, games, or relaxing. The primary suite features a spacious bath and large walk-in closet, while three additional bedrooms, two full baths, and a conveniently located laundry room complete the second floor.
