Plan 3 offers an expansive two-story design with thoughtfully placed spaces for entertaining, relaxing, and everyday living. A welcoming front porch opens to the entry, with a first-floor bedroom and full bath nearby. Continue into the main living area, where the kitchen features a large center island and walk-in pantry, flowing into a casual dining nook and spacious great room. A covered patio just beyond creates an easy connection to outdoor living, while a separate bonus room off the kitchen provides even more flexibility. Upstairs, the loft opens to a deck, creating another inviting space to gather or unwind. The primary suite is set apart with two walk-in closets and a spacious private bath. Three additional bedrooms, two full baths, and a centrally located laundry room round out the second floor.
