Welcome to Homesite 34, a spacious home offering approximately 3,317 square feet of living space that is move-in ready. This home includes over \$77,000 in designer-selected upgrades, featuring bright white cabinetry with stacked upper cabinets, quartz countertops throughout, a convenient laundry room sink, and a desirable west-facing homesite.

The first floor offers an open-concept great room with a family room, dining area, and kitchen, along with a private Next Gen suite featuring a sitting area, bedroom, and full bath. Upstairs, the primary suite includes dual vanities, a soaking tub, walk-in shower, and walk-in closet. Three additional bedrooms, two full bathrooms, a loft, and a laundry room complete the second floor, while a four-car tandem garage provides ample storage.
