Discover Elevated Living with Serenity Grove Plan 3 – Where Space, Style, and Comfort Converge Step into the dream home you've been waiting for with Plan 3 at Serenity Grove, a stunning two-story residence offering an impressive 4,154 square feet of luxurious living space, 4 spacious bedrooms, 4.5 elegant bathrooms, and a generous 3-car garage. Designed for both grand entertaining and everyday living, this home greets you with a dramatic entry and private office, flowing effortlessly into a formal dining area and expansive great room with seamless access to the California Room—perfect for indoor-outdoor gatherings under the stars. The gourmet kitchen is featuring an oversized island, walk-in pantry, and ample cabinetry to inspire your inner chef. A flexible downstairs space—ideal for a media room, home gym, or second office—adds versatility and convenience. Upstairs, a spacious loft anchors the second level, surrounded by three secondary bedrooms, each with its own walk-in closet and access to beautifully appointed bathrooms. The crown jewel of the home is the luxurious primary suite, a private retreat with a massive walk-in closet, dual vanities, freestanding tub, and walk-in shower. A large laundry room, ample storage, and elevated finishes throughout complete the perfect blend of functionality and elegance.
