Plan 1 at Aria at Elaris features an open-concept main living area where the kitchen, dining space, and Great Room flow together to support both daily routines and entertaining. The kitchen is anchored by a center island and includes a pantry for added storage. Just off the entry, a first-floor den offers flexibility as a home office, study, fitness room, or hobby space. An optional Covered California Room extends the living area outdoors for additional gathering space. Upstairs, the primary suite includes a spacious walk-in closet and a dual-sink bath with a separate tub and shower. Two secondary bedrooms share a full bath, while the nearby laundry room helps keep household tasks conveniently located on the same level. Additional storage throughout the home adds everyday functionality.
