Plan 2 at Aria at Elaris is designed around connected living spaces and flexible areas that can evolve with your needs. The main level features a spacious Great Room that opens to the dining area and kitchen, creating a central hub for gathering and entertaining. A large kitchen island provides additional prep space and seating, while the pantry offers convenient storage. Near the entry, a dedicated den can serve as a home office, creative studio, reading room, or workout space. An optional Covered California Room extends the living area outdoors. The second floor is anchored by a generous loft that provides room for movie nights, gaming, studying, or relaxing. The primary suite includes a spacious walk-in closet and a bath with dual sinks, a soaking tub, and separate shower. Secondary bedrooms are positioned nearby with access to a shared bath, while the centrally located laundry room helps streamline everyday routines.
