Welcome to Homesite 1017, featuring Plan 1 at Horizon at Solara—a thoughtfully designed two-story home that combines open living spaces with functional everyday convenience. The main level is centered around a spacious great room that flows effortlessly into the kitchen and dining area, creating an inviting setting for gathering, entertaining, and daily living. The kitchen features a large center island, ample storage, and a walk-in pantry, while the optional covered California Room extends the living space outdoors. Upstairs, a versatile loft provides additional room to relax, work, or play. The private primary suite offers a spacious walk-in closet, and the conveniently located second-floor laundry room helps simplify daily routines. Homesite 1017 Highlights Open-concept great room, kitchen, and dining area Large kitchen island with walk-in pantry Optional covered California Room for seamless indoor-outdoor living Flexible upstairs loft Spacious primary suite with walk-in closet Convenient second-floor laundry room Welcoming front porch Attached two-car garage with direct interior access Homesite 1017 offers a comfortable and contemporary design tailored to today's lifestyle. Contact our sales team to learn more about this exceptional opportunity at Horizon at Solara.
