Homesite 1021 offers a thoughtfully designed layout with plenty of space to gather, relax, and enjoy everyday living. Enter through the covered porch into the foyer, where the home opens into a spacious great room that flows naturally into the kitchen and dining area. The kitchen features a large center island and walk-in pantry, while the nearby California Room extends the living space outdoors and into the large backyard with no neighbor directly behind. Upstairs, a versatile loft provides extra space for a media room, play area, or home office. The primary suite offers a private retreat with a spacious bath and walk-in closet, while two additional bedrooms, a full bath, and centrally located laundry complete the second floor. Key Highlights: - No neighbor directly behind - Large backyard with California Room - Open great room, kitchen, and dining area - Large kitchen island and walk-in pantry - Spacious upstairs loft - Primary suite with walk-in closet - Convenient upstairs laundry - 2-car garage Enjoy added privacy, a spacious backyard, and a flexible floor plan at Homesite 1021.
