Plan 2 at Horizon at Solara is designed for homeowners who want both space and versatility. The first floor centers around a bright, open great room that connects effortlessly to the kitchen and dining area, creating a welcoming hub for everyday living and entertaining. A private room on the main level adds flexibility for guests, a home office, or a quiet retreat. Upstairs, a spacious loft provides an additional gathering area that can adapt to your needs—from movie nights to a study space. The primary suite is tucked away for added privacy and features a generous walk-in closet and a relaxing bath. Thoughtful details throughout the home help balance shared living areas with private spaces. Floor Plan Highlights Expansive open great room ideal for entertaining Central kitchen with large island and walk-in pantry Dedicated dining area with access to the optional covered Spacious upstairs loft with optional bedroom conversion Private primary suite with large walk-in closet Convenient upstairs laundry room Functional drop zone near the garage entry Attached two-car garage with interior access Discover the flexibility and comfort of Plan 2 at Horizon at Solara.
