Discover Homesite 1019, a beautifully designed residence that combines spacious living, thoughtful design, and modern comfort throughout every level of the home. The welcoming front porch leads into a bright and open main living area where the great room, dining space, and kitchen flow seamlessly together. At the heart of the home, the kitchen features a large center island, walk-in pantry, and generous counter space, creating the perfect setting for everything from casual mornings to weekend entertaining. A private first-floor bedroom with its own bath offers flexibility for overnight guests, a home office, or multi-generational living. Upstairs, an expansive loft provides additional room to relax, work, or gather with family and friends. The primary suite serves as a peaceful retreat, complete with dual walk-in closets and a spacious bath designed for everyday comfort. Two additional bedrooms, each with convenient access to nearby baths, complete the upper level.
