Homesite 1022 offers a spacious layout designed with plenty of room for both everyday living and entertaining. From the entry, continue into the open kitchen and dining area, where a large center island creates a natural gathering place. The kitchen flows into the great room and out to the California Room, extending the living space outdoors to a large lot with no neighbor directly behind. A first-floor bedroom with its own bath provides a comfortable space for guests or a private home office. Upstairs, the loft adds another flexible living area, while two secondary bedrooms each feature walk-in closets. The primary suite is tucked away with a spacious bath and walk-in closet, creating a private retreat at the end of the day. Key Highlights: - Large lot with no neighbor directly behind - California Room for indoor-outdoor living - Open kitchen, dining, and great room - Large kitchen island and walk-in pantry - First-floor bedroom with private bath - Spacious upstairs loft - Secondary bedrooms with walk-in closets - Upstairs laundry room - 2-car garage with additional storage Make the most of the extra space and added privacy at Homesite 1022.
