Plan 2 at Lyra at Elaris offers a layout that balances open gathering spaces with private retreats. The main level features a spacious Great Room that flows into the dining area and kitchen, complete with a large center island and walk-in pantry. A first-floor bedroom with a nearby full bath creates a flexible space for guests, extended family, or a dedicated workspace. An optional Covered California Room provides an inviting outdoor extension of the home's main living area. Upstairs, a generous loft creates additional room for movie nights, gaming, studying, or working from home. The primary suite includes two walk-in closets and a dual-sink bath with a separate tub and shower. Two secondary bedrooms share a family bath, while the centrally located laundry room adds everyday convenience.
