Welcome to Homesite 2042, featuring Plan 1 at Radiance at Solara—the only single-story home available in the community. Ideally located on a cul-de-sac with no neighbor directly behind, this homesite offers added privacy and a desirable setting to complement its thoughtfully designed layout. The open-concept great room, dining area, and kitchen flow seamlessly together, creating a bright and inviting space for everyday living and entertaining. The kitchen features a large center island, ample cabinetry, and a walk-in pantry for additional storage. Privately positioned away from the main living areas, the primary suite offers a relaxing retreat with a spacious walk-in closet and well-appointed bath. Secondary bedrooms are thoughtfully separated for added privacy, while a flexible front room can be used as a home office, lounge, study, or hobby space. Homesite 2042 Highlights: Only single-story floor plan available at Solara Desirable cul-de-sac location No neighbor directly behind for added privacy Open-concept great room, kitchen, and dining area Large kitchen island and walk-in pantry Private primary suite with spacious walk-in closet Flexible front room ideal for an office, lounge, or study Thoughtfully separated secondary bedrooms Conveniently located laundry room Attached two-car garage with direct home access With its single-story design, cul-de-sac setting, and added privacy with no home behind, Homesite 2042 is a standout opportunity at Radiance at Solara. Schedule your tour today and see why this homesite could be the perfect place to call home.
