RADIANCE AT SOLARA

PRICE
$892,142

FEATURES

- 4 Bedrooms
- 3 Ba, 1 Half Ba
- 3,490 Sq. Ft.
- 2 Car Garage

Discover the versatility of Plan 2 Radiance at Solara — a thoughtfully designed home that combines primarily single-level living with an added upstairs retreat for extra flexibility. The main level features a bright great room that connects seamlessly to the kitchen and dining area, creating an inviting space for entertaining and everyday living. A large kitchen island anchors the space, complemented by a walk-in pantry and convenient access to the optional covered California Room for indoor-outdoor enjoyment. The primary suite is privately positioned on the main floor and includes a generous walk-in closet and well-appointed bath. Additional rooms offer comfortable space for family or guests, while the upstairs bonus level provides added flexibility for a media room, home office, or private guest retreat. Key Highlights: Spacious two-level layout with most living areas on the main floor Open-concept great room, kitchen, and dining area Modern kitchen with large center island and walk-in pantry Optional covered California Room for indoor-outdoor living Main-level primary suite with spacious walk-in closet Versatile upstairs bonus room ideal for media, work, or play Private upper-level room with nearby bath Conveniently located laundry room Attached two-car garage with direct home access Plan 2 at Radiance at Solara offers a thoughtful blend of open living, flexible space, and everyday comfort.
