RADIANCE AT SOLARA

PRICE
$869,142

FEATURES
- 4 - 5 Bedrooms
- 3 Ba, 1 Half Ba
- 3,649 Sq. Ft.
- 2 Car Garage

Plan 3 Radiance at Solara, a well-designed two-story home that offers spacious living areas, flexible rooms, and a layout built for everyday functionality. The main level features an open great room that connects seamlessly to the kitchen and dining area, creating a central gathering space for daily living and entertaining. The kitchen includes a large center island, walk-in pantry, and convenient access to the optional covered California Room for indoor-outdoor living. A dedicated lounge area and a front office with the option to convert to an additional bedroom provide flexible space for work, guests, or relaxation. Upstairs, the primary suite offers a private retreat with a spacious walk-in closet and well-appointed bath. Additional bedrooms, a central loft, and a conveniently located laundry room provide comfort and practicality for the entire household. Key Highlights: Two-story layout with spacious living and private areas Large kitchen island with walk-in pantry Optional covered California Room for outdoor living Dedicated lounge area on the main floor Private office with optional bedroom conversion Spacious primary suite with walk-in closet Central upstairs loft for additional living space Convenient second-floor laundry room Attached two-car garage with direct home access Plan 3 at Radiance at Solara offers a functional layout designed for comfort and flexibility.
