Welcome to Homesite 2060, featuring Plan 3 Radiance at Solara. This thoughtfully designed two-story home brings together spacious living areas, flexible rooms, and an open layout created for comfortable everyday living. Step inside and make your way to the heart of the home, where the great room flows seamlessly into the kitchen and dining area, creating an inviting space for gathering and entertaining. The kitchen centers around a large island and features a walk-in pantry, while convenient access to the optional covered California Room creates an effortless connection between indoor and outdoor living. A dedicated lounge offers another place to relax, while the front office provides flexible space for working from home, hosting guests, or adapting to your needs. Upstairs, the primary suite offers a private retreat with a spacious walk-in closet and well-appointed bath. A central loft, additional private spaces, and a conveniently located laundry room complete the home's functional design. Key Features: Open-concept great room, kitchen, and dining area Large kitchen island and walk-in pantry Optional covered California Room for indoor-outdoor living Dedicated lounge for added living space Flexible front office with optional bedroom conversion Spacious primary suite with walk-in closet Central upstairs loft Conveniently located laundry room Thoughtfully designed storage throughout Make Homesite 2060 your next move. Schedule a tour today and experience the comfort, flexibility, and modern design of Plan 3 Radiance at Solara.
