- 2 Car Garage

From the moment you enter Homesite 2044, the layout offers plenty of room to spread out and make the space your own. Just off the entry, a first-floor bedroom provides a convenient option for guests or a private home office. Continue down the hall to the flex space before arriving at the heart of the home, where the kitchen and great room come together for easy everyday living and entertaining. Upstairs, a spacious loft creates another versatile gathering area. The primary suite is set apart with a private bath and generous walk-in closet, while three additional bedrooms provide plenty of flexibility for family, guests, or work-from-home needs. Located on a cul-de-sac with no neighbor directly behind, Homesite 2044 offers added privacy and a more tucked-away setting within the community. Key Highlights: - Cul-de-sac location with no neighbor directly behind - First-floor bedroom with nearby bath - Versatile flex space off the main living area - Open kitchen and great room - Spacious upstairs loft - Private primary suite with walk-in closet - Convenient upstairs laundry room - 2-car garage with additional storage Homesite 2044 offers the space, flexibility, and added privacy you've been looking for. Schedule your appointment today to learn more about Plan 4 at Radiance.
