-  3 Bathrooms
-  1,540 - 1,544 Sq. Ft.
-  2 Car Garage

Welcome to Plan 4, a modern three-story home offering 1,540 square feet of stylish and functional living space. With 3 bedrooms, 3 full bathrooms, and a 2-car garage, it's perfectly suited for families, professionals, or anyone seeking refined urban living.

Enter through a charming covered porch into a welcoming entryway with access to the laundry area and garage. A staircase leads to the main living space, where an open-concept layout features a bright great room, dining area, and a deck ideal for relaxing or entertaining. The sleek kitchen includes space for a refrigerator and dishwasher.

The primary suite offers a private retreat with an en-suite bath and generous closet. Two additional bedrooms provide flexibility—one with a nearby bath, and the other with a walk-in closet and private bath. Plan 4 combines modern design with everyday comfort, tailored for contemporary lifestyles.
