Discover the perfect blend of comfort and contemporary design in Plan 5, a beautifully crafted two-story home offering 1,618 square feet of thoughtfully designed living space. With 2 bedrooms, 2 bathrooms, and a 2-car garage, this plan is ideal for those seeking a refined yet functional lifestyle.

First Floor – Smart Foundations

Enter through a welcoming entryway that leads to a spacious two-car garage, with adjacent electrical and telecom rooms for added convenience and utility.

Second Floor – Elevated Everyday Living

Upstairs, the open-concept layout is designed for both relaxation and entertainment. The great room flows seamlessly into the dining area and a covered deck, creating a perfect setting for indoor-outdoor living. The kitchen features a central island, ample pantry space, and modern finishes that elevate the culinary experience. A versatile flex room offers endless possibilities—ideal for a home office, creative studio, or guest space. The primary bedroom is a private retreat with a walk-in closet and a luxurious primary bath. Bedroom 2 also includes a walk-in closet and is conveniently located near Bath 2 and the laundry room.
