Plan 7 at Homesite 20 brings together style, comfort, and practical design in a striking three-story townhome. Featuring a private 2-car garage and a versatile layout, this home adapts effortlessly to your lifestyle. The third floor showcases an open-concept living space, complete with a modern kitchen, oversized island, great room, dining area, and a spacious deck that blends indoor and outdoor living. Upstairs, the primary retreat offers generous closet space and a spa-like bath, while the lower levels include additional rooms ideal for guests, a home office, or hobbies. Highlights of Homesite 20: Private 2-car garage with extra storage Open-concept third floor with great room, dining area, and deck Contemporary kitchen with large island and designer finishes Luxurious top-level retreat with walk-in closet Flexible rooms on lower levels for guests, work, or leisure Dedicated laundry area and abundant storage throughout Experience Homesite 20 in person Schedule a tour today and see how Plan 7 combines space, style, and versatility for modern living.
