Plan 5 gives homeowners the space and customization options to design your home the way you'd like with two floors and 1,540 sq. ft. of luxurious living space. Upstairs from the garage, you'll discover the main living space made to entertain. The gourmet kitchen is complete with a pantry and center preparation island with dual sinks that overlook the spacious dining room and great room. The kitchen includes full overlay, frameless flat panel contemporary maple cabinetry with knobs, granite slab kitchen countertops with your color choice of 6" backsplash, and GE stainless steel premium kitchen appliance package.

This floor also includes an outside covered deck, laundry room, and multifunctional flex room. The secondary bedroom features an ensuite bathroom and expansive walk-in closet. The generously sized primary suite is complete with a stunning, spa-like bathroom with dual sinks and walk-in closet. This plan comes with your color choice of Welcoming tile at entry, kitchen, bathrooms and laundry, Kohler plumbing features, and much more!
