There's a lot to love with Plan 6's beautifully designed three-story floor plan offering 3 bedrooms and 3.5 bath at 1,629 sq. ff. of beautiful living space. A two-car garage connects to a convenient first-floor flex room. Head to the second floor and take in the expansive great room, which flows into the dining room and kitchen. The gourmet kitchen is complete with a pantry and bar-top island that overlook the main living area. The kitchen includes full overlay, frameless flat panel contemporary white cabinetry with knobs, grey quartz kitchen countertops with a classic blue 6" backsplash, and Samsung stainless steel refrigerator and front load dishwasher.

Best of all, a third staircase elevates you to the primary bedroom – a private suite complete with an adjoining bathroom and generous walk-in closet. The stunning, spa-like bathroom features dual sinks and generously sized walk-in shower. This floor also includes a secondary bedroom with an adjoining bathroom.
