Welcome to Homesite 2057, featuring Plan 1 at Radiance at Solara—the only single-story home available in the community. Thoughtfully designed for comfort, convenience, and modern living, this exceptional residence offers a spacious open-concept layout with all living areas conveniently located on one level. At the heart of the home, the great room, dining area, and kitchen flow seamlessly together to create a bright and inviting gathering space. The kitchen is designed for both everyday functionality and entertaining, featuring a large center island, ample cabinetry, and a walk-in pantry for added storage. Privately situated away from the main living areas, the primary suite serves as a peaceful retreat complete with a spacious walk-in closet and a well-appointed bath. Additional bedrooms are thoughtfully positioned to provide privacy and flexibility, while a versatile front room can be tailored to fit your lifestyle as a home office, lounge, study, or hobby room. A centrally located laundry room further enhances the home's practical design.
