Welcome to Homesite 2059, featuring Plan 3 at Radiance at Solara, a thoughtfully designed two-story home that combines spacious living areas, flexible spaces, and modern functionality to support a variety of lifestyles. The main level is centered around an open-concept great room that flows seamlessly into the kitchen and dining area, creating an inviting environment for everyday living and entertaining. The well-appointed kitchen features a large center island, and a walk-in pantry. Designed with flexibility in mind, the first floor also includes a dedicated lounge area and a private office that can be configured as an optional bedroom, providing versatile space for remote work, guests, hobbies, or multi-generational living. Upstairs, the spacious primary suite offers a relaxing retreat complete with a generous walk-in closet and a well-appointed bath. Additional bedrooms, a central loft, and a conveniently located laundry room provide comfort, convenience, and room to grow. Homesite 2059 Highlights: Open-concept great room connected to the kitchen and dining area Modern kitchen with a large center island and walk-in pantry Spacious primary suite with a large walk-in closet Central upstairs loft offering additional living space Convenient second-floor laundry room Attached two-car garage with direct home access Homesite 2059 at Radiance at Solara offers a versatile layout that balances open gathering spaces with private retreats, creating a home designed to adapt to the way you live. Contact us today to learn more about this exceptional opportunity at Solara.
