Welcome to Homesite 2056, featuring Plan 4 at Radiance at Solara, a thoughtfully designed two-story home offering spacious living areas, flexible spaces, and modern comfort for today's lifestyle. With an open-concept layout and versatile design features throughout, this home is ideal for both everyday living and entertaining. The main level is anchored by an expansive great room that seamlessly connects to the kitchen and dining area, creating a welcoming space for gathering with family and friends. The kitchen features a large center island, and walk-in pantry. A flexible front room offers endless possibilities as a home office, study, or lounge, while a private first-floor bedroom and nearby bath provide added convenience for guests or multi-generational living. Upstairs, the spacious primary suite serves as a relaxing retreat, complete with a generous walk-in closet and a well-appointed bath. Additional bedrooms, multiple bathrooms, a central loft, and a conveniently located laundry room create a functional layout designed to accommodate a variety of household needs. Homesite 2056 Highlights: Expansive great room connected to the kitchen and dining area Modern kitchen with a large center island and walk-in pantry Private first-floor bedroom with nearby bath Spacious primary suite with a large walk-in closet Central upstairs loft offering additional living space Convenient second-floor laundry room Attached two-car garage with direct home access Homesite 2056 at Radiance at Solara offers the perfect balance of open-concept living, private retreats, and functional design.
