Stunning Model Home With Fully Upgraded Interior Finishes!

Come home to Homesite 128 at Covina Bowl, a plan 1 offering three stories and 1,573 sq. ft. of light-filled space. A two-car garage connects to a convenient first-floor den and ensuite bathroom. Head upstairs to the main living area and find the expansive great room, contemporary kitchen, and dining area that leads out to a private deck. The gourmet kitchen is complete with a pantry, dual sinks and the option for center preparation island. The kitchen includes full overlay, frameless flat panel contemporary white cabinetry with knobs, granite slab kitchen countertops, and GE stainless steel premium kitchen appliance package.

The top floor includes plenty of space to stretch out in comfort and style. This floor comes with your choice of additional secondary bedrooms or replace them with a generous loft. Adjacent is the stunning primary suite, complete with a private balcony, walk-in closet and a spa-like bathroom.
