On the first floor, you're welcomed by a spacious entryway that leads to a secluded Bedroom 4—ideal for guests or a home office. The heart of the home is the stunning kitchen, which showcases a large center island, abundant counter space, and a walk-in pantry designed for maximum storage. The kitchen flows into the dining area and expansive great room, where large windows invite natural light. The kitchen includes recessed-panel Beech Shaker cabinetry, chrome knobs, quartz kitchen countertops with a 6" backsplash. Bosch stainless steel kitchen appliances are also included. From there, enjoy indoor-outdoor California living with direct access to a covered outdoor room and peaceful courtyard. A flex room and powder room add convenience and versatility to the main level.

Upstairs, the home continues to impress with a thoughtfully laid-out second level. The primary suite is a luxurious retreat featuring a spa-like bathroom with a large walk-in shower, dual vanities, and a spacious walk-in closet. Two additional secondary bedrooms—each with their own bathroom access. A centrally located laundry room offers both convenience and functionality, with space for storage and optional upper cabinets. One of the standout features of this plan is the generously sized loft, which serves as a versatile second living area. For those needing more bedrooms, the loft can be easily converted into Bedroom 5, providing even more flexibility to adapt the space to your evolving lifestyle needs.
