The Kennedy plan at Madison at Skysill, is a masterpiece of design and craftsmanship, a two-story residence offers a luxurious and spacious dwelling but also the flexibility to fit your family's lifestyle. The first floor unfolds into a spacious, open-plan design that includes a great room, dining area, and kitchen. Unique to this model is the option for a Multi-Gen suite in lieu of bedroom 4, offering an integrated living space with a private bath, ideal for extended family or guests, emphasizing the home's adaptability and thoughtful consideration for diverse family dynamics. Located upstairs is the owner's suite, two additional bedrooms, and a conveniently located laundry room. The second floor also introduces a flexible bonus room that can be configured as an optional fifth bedroom and loft, reflecting the home's commitment to adapt to your needs.
