Welcome to Plan 1 at Homesite 14, a thoughtfully designed townhome that blends modern style, everyday functionality, and comfortable living across three levels. Enter through your private front patio to find a versatile flex room—perfect for a home office, workout space, or creative studio—with convenient access to the attached two-car garage. The main living level features a spacious great room that flows into the stylish kitchen with a large center island and access to a private balcony, creating the ideal space for entertaining or relaxing. A secondary bedroom and full bath add convenience and flexibility. On the top floor, the private primary suite offers a peaceful escape with a walk-in closet and spacious bath, while an additional bedroom and nearby laundry complete the level.
