As the largest floor plan at Andara, Residence 3 offers an expansive three-level layout designed for those who appreciate generous living spaces and added flexibility. With an open main level, a private bedroom floor, and a top-level bonus retreat with outdoor access, this home blends comfort and versatility in the heart of Luna Park. The first floor features a welcoming entry that opens to a spacious great room and contemporary kitchen, complete with a central island and walk-in pantry for effortless entertaining and daily living. Upstairs, the primary suite provides a relaxing retreat with a walk-in closet and well-appointed bath, while additional bedrooms and convenient laundry enhance everyday ease. The third level introduces a large bonus room — ideal for a media lounge, home office, fitness space, or creative studio — along with a private deck that extends your living space outdoors. A conveniently located powder room on this level adds functionality for gatherings and guests.
