Discover the largest floor plan available at Homesite 66, a spacious townhome thoughtfully designed for modern living, entertaining, and everyday flexibility. Enter through the private front patio into a versatile bonus room featuring a full wet bar—perfect for hosting guests, creating a home office, fitness space, or media room. Upstairs, the open-concept main living area offers a seamless flow between the great room and kitchen, creating an inviting space for gathering with family and friends. The private primary suite provides a relaxing retreat with a spacious walk-in closet, while convenient upstairs laundry adds ease to daily living. Highlights Largest floor plan available Open-concept great room and kitchen Large center island Private primary suite with walk-in closet Convenient upstairs laundry Private front patio Thoughtfully designed three-story layout Don't miss the opportunity to own one of the community's most spacious townhomes.
