Avalon's Plan 1 is a charming single-story home offering 2,827 Sq. Ft. of living space. The flexible plan features a secondary bedroom off the front of the home. Just past the spacious foyer lies the inspiration room along with secondary bedrooms with ensuite bathrooms. This can be replaced with a stunning multi-gen suite, complete with a pocket office or wine tasting room. The gourmet kitchen features a walk-in pantry and a center preparation island with dual sinks. This overlooks the spacious dining, great room, and back covered patio. The kitchen includes recessed-panel Beech Shaker cabinetry with your choice of 3 stained finishes, and chrome knobs, quartz kitchen countertops with 6" backsplash, Bertazzoni Master Series kitchen appliance package with 36" range, microwave, and dishwasher.

The intricate master suite provides a stunning spa-like bathroom with two sinks, a large walk-in shower, and two large walk-in closets. A tandem garage is also offered in this plan, or an optional hobby room instead. This home also comes with your choice of three luxury vinyl plank flooring at entry, kitchen, and bathrooms, carpet in bedrooms, Kohler plumbing features, and much more!
