REPRESENTATIVE PHOTOS ADDED. Homesite 41 is an Abram plan at Lafayette at Riverstone, a single-story residence that features an array of options perfect for your lifestyle. This home is a Tuscan elevation, that includes 4 bedrooms, bonus room, and formal dining room. The spacious L-shaped kitchen ties the Living Room into the Great Room to create a truly captivating space for all of life's most memorable moments. The California Room, located off of the dining and Great Room, extend the living areas into a breezy indoor/outdoor experience. The homes feature include Brushed Nickel finishes, Storm shaker cabinets, and quartz countertops in the kitchen.
