Homesite 64 offers a spacious two-story layout with no direct neighbor in front or behind the home, providing a more open setting. Enter through the covered porch into the great room, which connects easily to the kitchen and dining area. The kitchen features a center island with additional seating and counter space, while the dining area sits just off the kitchen. A powder room and access to the two-car garage complete the first floor. Upstairs, the loft provides a flexible second living space and creates separation between the primary suite and secondary bedrooms. The primary suite features a large walk-in closet and private bath with dual sinks, a soaking tub and separate shower. Bedrooms 2 and 3 are located near a shared full bath, with the laundry room conveniently located nearby. - No direct neighbor in front or behind the home - Covered front porch - Open kitchen with center island - Connected great room and dining area - Spacious upstairs loft - Primary suite with large walk-in closet - Primary bath with soaking tub and separate shower - Convenient upstairs laundry room - Two-car garage Contact our sales team today to learn more about Homesite 64 and schedule your appointment.
