NEW HOMES NOW SELLING. TOUR THE MODELS TODAY!

Residence 1 at Deerwood Heights is a thoughtfully designed three-story offering 3 bedrooms, 3 bathrooms, and approximately 1,399 sq. ft. This home features open living spaces, private retreats, and smart storage throughout.

Key Highlights include a welcoming first-floor entry with convenient access to a 2-car tandem garage. Open second-floor main living area where the kitchen and great room flow seamlessly together for effortless entertaining. Well-appointed kitchen featuring a central island, ample cabinetry, and easy access to the main living space. Private second-floor bedroom with an adjacent full bath—perfect for guests, a home office, or multigenerational living. Outdoor deck located just off the main living area, creating a natural extension for relaxing or entertaining. Dedicated home management or workspace nook for added organization and productivity. Third-floor primary suite with a spacious bedroom, walk-in closets, and a primary bath with dual sinks. An additional upstairs bedroom with a nearby full bath. Convenient third-floor laundry area, centrally located near bedrooms for everyday ease.

Residence 1 combines smart design, flexible living spaces, and modern comfort across three beautifully planned levels—perfect for the way you live today.
