Homesite 57 is the Kennedy plan at Madison at Oak Place, a well-designed two-story home with a spacious and flexible layout. Upon entrance, you are greeted by Bedroom 4 with access to a well-appointed full bathroom and storage closet. Past this hallway, the home expands into the kitchen and dining space. The kitchen embraces ample counter space, a large center island, and a pantry for food storage. The dining space flows effortlessly into the Great Room, offering a cozy place to relax, and access to the stairwell leading to the second floor of the home. Upstairs, you will find a standard loft, ideal for kid's entertainment, along with direct access into the Bonus Room. The Owner's Suite completes this side of the floor, with an en-suite bathroom with two sink vanities and a walk-in closet. On the other side of the second floor, sits Bedrooms 2 and 3 that share access to the laundry room and a full bathroom with a dual sink vanity. REPRESENTATIVE PHOTOS ADDED.
