Homesite 58 is the Kennedy plan at Madison at Oak Place, a well-designed two-story home with a spacious and flexible layout. Upon entrance, you are greeted by a long hallway and an entrance into Bedroom 4. This unique setup offers a bedroom with an office, or living space, connected, as well as an en-suite bathroom. The entrance hallway ends with a powder bathroom and storage closet tucked under the stairs. Past the stairwell, the floor plan opens up to the Great Room and dining space. The dining space flows effortlessly into the kitchen, offering a gourmet layout, which makes hosting gatherings a breeze. Upstairs, you will first find the Bonus Room which leads directly into the Owner's Suite. The suite offers an en-suite bathroom with a large walk-in closet and two sink vanities. Just outside of the suite is the laundry room and Bedrooms 2 and 3 which each have a walk-in closet and share well-appointed access to a full bathroom. REPRESENTATIVE PHOTOS ADDED.
