Homesite 11 at The Summit at Castle Pines by Trumark Homes is a remarkably designed two-story home offering 5,764 SQ. FT. of living space. Just off the entrance foyer is a guest bedroom with a private en-suite bathroom. You will find the main floor study at the rear of the home. Past the foyer is the great room and kitchen, including a butler's pantry and pocket office. The large center preparation island overlooks the dining and great room complete with a grand fireplace and vaulted ceiling. The kitchen includes 42" Kitchencraft cabinets in frappe and thunder cabinetry, quartz countertops with tile backsplash, and an extensive line of fit and finish options to complete your dream kitchen.

The great room opens to the outdoor living area, with an outdoor kitchen and a 6' long gas firepit. The primary suite, offering a contemporary, spa-like bathroom with dual sinks, walk-in shower, luxurious freestanding tub, and an expansive walk-in closet. Two secondary bedrooms, each having their own en-suite bathrooms, completes the 2nd floor.

Downstairs the included finished basement includes a secondary bedroom with an en-suite bathroom, a powder bathroom, and a wet bar perfect for entertaining. This home includes 7 1/2" engineered hardwood flooring throughout the entry/kitchen/living/dining, spacious 10-foot ceilings on the main floor and 9' on the upper floor and basement, insulated steel garage doors, tankless water heater, and much more!
