Welcome to Plan 1X at Independence by Trumark Homes. Offering approximately 1,891 sq. ft. of living space, this thoughtfully designed ranch floorplan combines the ease of single-level living with the added benefits of a larger homesite and spacious 3-car garage. The open-concept kitchen, dining area, and great room create an inviting gathering space, while flexible bedroom configurations provide room for guests, a home office, or changing needs.

The expanded garage provides valuable additional space for vehicles, bikes, outdoor equipment, storage, hobbies, and more, while the larger homesite gives you more room to enjoy outdoors. Select homesites require the 3-car garage configuration.
